### **Miss me but let me go**

When I come to the end of the road,  
and the sun has set for me  
I want no rites in a gloom filled room,  
why cry for a soul set free?

Miss me a little but not too long,  
and not with your head bowed low  
Remember the love that we once shared,  
Miss me but let me go

For this is a journey that we all must take,  
and each must go alone  
Its all part of the Master's plan,  
a step on the road to home

When you are lonely and sick of heart,  
go to the friends we know  
And bury your sorrows in doing good deeds,  
Miss me but let me go
